APPRECIATION LETTER

Dear Dhananjay,

I want to express my sincere appreciation for your outstanding contribution to the development of my PhD thesis project titled "**Plant Disease Detection Using CNN.**"

Your dedication, expertise, and collaborative spirit played a key role in shaping this project. Your commitment to excellence and ability to handle complex concepts with precision greatly enhanced the quality of the work.

I am truly grateful for your exceptional efforts. Thank you for being a valuable team member and for your invaluable contribution. Your dedication and expertise have undoubtedly taken our project to new heights. I look forward to the opportunity to collaborate with you again on future projects.

Best reagents
